Classroom Resource Grants

Program Overview

Classroom Resource Grants provide up to $1,000 (or the equivalent) for primary and secondary teachers of any subject to purchase supplementary resources, materials, and activities for their classrooms.

Designed to support teachers with limited classroom budgets and demonstrated need, Classroom Resource Grants are intended to enrich students’ learning of the Arabic language and/or about Arab societies and cultures by providing access to high-impact educational materials and experiences.

Examples of appropriate materials can include:

- Books, videos, software, and other materials to teach about the Arab world or the Arabic language
- Student-driven activities related to Arabic language and/or the Arab world that involve the greater school community
- Special costs associated with an interdisciplinary project or student-related activities (must have a specific focus on Arabic language and/or the Arab world) such as materials for art, music, geography, history, and science projects

Funding

Grantees will be awarded up to $1,000 (or the equivalent) to purchase classroom resources or conduct activities to enhance their teaching of the Arabic language and/or about the Arab world.

Applicant Eligibility

Teachers must meet all of the following criteria in order to be eligible:

- Be a current, full-time teacher of any subject
- Teach at a publicly funded school at the primary or secondary level in North America, Europe, or the United Kingdom
- Demonstrate that they teach the Arabic language and/or about the Arab world
- Present a demonstrable need for additional funding to purchase classroom resources
Grant Conditions

Awarded grantees will be required to submit the following:

- A final report summarizing the use of all purchased materials and including itemized receipts for all purchases

Application Deadlines
